Pepe Porter is a premium quality wine from a careful selection of the best bunches of our Mencia red grape. It is a delicious and versatile red that should be in any cellar.

The Mencia grape occupies only a small part of the world production and that makes it very peculiar. However, it is enough production to satisfy the most refined palates.

The Monterrei D.O. has a temperate climate with a continental tendency, influenced by the Atlantic Ocean. Slate and schist soils are ideal during dry seasons, as they provide aromas in red wines.

## COLOUR

Clean and bright wine with a good cherry red color and violet edges.

## NOSE

Intense, with a predominance of varietal memories, notes of fruit (raspberry, currant, black plum) and elegant florals.

## PALATE

In the mouth it stands out for its balance, good harmony, with a deep aftertaste and a pleasant ending in the mouth.

## FOOD PAIRING

Ideal accompaniment to meat, rice, cheese and oriental cuisine.

*Serving temperature: 12-15 °C.*

*“An amazing Mencia that conveys all its character in every sip”*
